

Alexis Subee Fishman
Co-Founder, Director

Alexis Subee Fishman and Lana R. Johnson founded the Southern California Insurance Professionals in 1993 as a chapter of NAIW opening up membership to all insurance related professionals including defense counsel, claims, brokerage, carrier, restoration and the like. At the time, there was a need for a Los Angeles area based executive networking group for our industry.

Alexis has served as President, Vice President, and Director a various times throughout the organization's history.

Alexis began her career in insurance while attending college, working for a boutique TPA. Brokerage experience includes working for notable firms such as G. J. Sullivan, Jardine Risk Management, Alexander & Alexander/Aon, Lockton, HRH, and Wells Fargo. Currently with Chartis, Alexis enjoys as a Senior Business Development Manager position focusing on the wholesale industry.

Areas of specialization have included Property & Casualty marketing, account management of Healthcare, Public Entity, Environmental, and general commercial/national account type risks.

Alexis can be reached at alexis_fishman@yahoo.com or 310.938.4718.
